

Secretary's Report

This years AGM marks my fifth as Secretary of the group – there have been many changes for our group in that time which we can all be proud to be a part of.

The AGM presents an opportunity to reflect on the last 12 months, as you have heard from Roger, it paints a positive picture and I hope that echoes in feeling around the room.

We have 176 Full Members and 54 Associate Members. Our social events have been well supported, with over 50 in attendance for the majority. Our April meeting, where the presenter was Paramedic, Emma Todd, set the record attendance for our group with 86 people in the room! We have taken a 'quality over quantity' approach with our events and this is working well.

I would like to thank Clare and her team here at Windmill Farm for use of the venue and their support in arranging our events.

Whether you support IAM RoadSmart because you are a car enthusiast, want to be a better driver or just enjoy driving generally, it is important to remember the charities aims and objectives of reducing road deaths and injuries through improving driving and riding standards. We can all be proud to support IAM RoadSmart and that our membership fee goes towards that aim. I certainly believe we are helping to achieve our objectives in Lincolnshire. We are also doing it whilst enjoying our input which I think is important.

I thoroughly enjoy representing you and IAM RoadSmart in Lincolnshire; I hope you continue to enjoy your membership with us. Thank you for your continued support.
