## Membership

**This was the item for the February newsletter but due to it's importance I have included it again in the May newsletter**

### Change of System for Group Subscriptions

The Committee has unanimously agreed to change the way Group Subscriptions (Subs) are collected, switching from an "Anniversary" system to an "Annual" system.

Anniversary systems are when subs are collected each year in the same month as when a member joined the Group; the Annual system is when subs are due on the same date each year – that date will be 01 April.

The key advantage of the annual system is that members can be notified electronically (website, newsletter or email) that their subs are due and only those for whom we do not hold an e-address will need to be contacted by post. The key disadvantage is the loss of revenue during the changeover, however the Committee has considered this and believes the long-term benefits outweigh the short-term loss.

The new system will be introduced immediately, although it will not be fully in effect until next year – here's how it will work:

Members whose anniversary subscription date is in January, February, March & April will pay as normal in 2017, but not in 2018 until 01 April,

Members whose anniversary subscription date is May – December (inclusive) next subscriptions will not be due until 01 April 2018,

Subs will remain at £7.50 per year,

Some members will need to change their Standing Orders with their banks – everyone except those currently paying in April,

We would like to treat any money collected from members who do not change their anniversary payment as a donation,

From 2018, ALL subs will be called for payment in April.

**No-one loses out**, although those with subs due in April gain nothing, everyone else gains to a varying degree.

A simple sliding scale of membership costs for new full members joining the Group throughout the year has been worked out, as has a system for newly-qualified former Group Associates having passed their test and wishing to continue as a member of the Group.

The Treasurer, Tony Moore, will explain further at the Annual General Meeting on 15 March 2017 and there will be reminders in future newsletters. If you have any suggestions or queries before the AGM, please contact him by email on [anthony.moore@btinternet.com](mailto:anthony.moore@btinternet.com)

## Calling all Full Members!

Over the last few months our Observer numbers within Leicester Group have reduced to 9. We are looking to recruit more observers as we have a backlog of associates waiting to be trained to the standard for test.

If you are a full member and would like to give some of your time to pass your skills on to someone else, then please get in touch with myself or any committee member.

Becoming an observer is not as difficult as you may think. This can be very rewarding and doesn't have to take all of your spare time. Some observers have as little as one associate that has an assessed run just once a month. Training to be an Observer can take as little as three runs out with a Local Observer Assessor to which we have 4 LOA's within the group

The group will provide all of your training at no cost to you, other than some of your time. There are three levels of observers.

The first is a Local Observer which is the lower level of Observer. To gain this qualification you will be trained and tested within the group. You will also go through periodic training within the group usually two to three morning training sessions held every year with all the other Observers. Although it is not mandatory you attend every session.

The second level of Observer is a National Observer. This will see you being trained within the group but you will take a test outside of the group by an IAM examiner. This will need to be retaken every five years. There will also be periodic training sessions within the group. This is the same sessions as the Local Observers.

The third level is a Local Observer Assessor. If you wish to attain this level you will be trained in the same way as a National Observer with a test by an IAM Examiner. The only difference is you will have to retake the exam every three years.

If you, like me would like to pass on the skill you have obtained through IAM. There couldn't be another rewarding way to do it.

If anyone is interested please come and talk to us on the group evening or contact myself (Kevin Hill) on email using [kevinhill213@outlook.com](mailto:kevinhill213@outlook.com) or call me on 07904 386250

## Associate News

To all associates out there currently being assessed.

Please be aware that if you have been assessed for a year or more without taking your test, you may have to renew your IAM membership to carry on your assessed runs. If you have not managed to complete your course within the year please contact myself to check if you are still valid for insurance purposes. We may be able to extend your membership if there are mitigating circumstances. I should be in contact with any associate that has expired their membership, but if you have not been contacted or think your membership has expired please get in touch.

If Anyone would like to have a piece included in this newsletter please contact me.
