We Have received an Invitation to attend an Indoor bike show on January 12th 2020. This is a classic Bike show at the Junction Public House in Rainford WA11 7JU, last year approx 400 people visited and saw the bikes on display in a very large Marquee. Sam are seeking Volunteers to attend and hand out leaflets etc. If you can spare anytime ,contact us on the email address below.

Sam are currently designing a new group leaflet Flyer, Member John Brookes is in the final stages of designing and printing this off. It will be getting distributed around numerous local shops, outlets and Garages. Keep an eye for it !

A new advanced car course will be starting In January 2020, there is space for any new associates who might be interested. The next Bike course will be in March 2020, This is traditionally the busiet course in the bike section, so early enquiries and bookings are worth thinking about.

A Trio Of SAM Motorcycle Observers , Brian Dring, Miles Turner and Paul Acres, attended the annual Regional Training Day, Late October, run by our neighbours SLAM. The event was focused on providing specific training, awareness and support for all existing local and national observers, as well as trainee and prospective observers. 50 Members from groups around the region were also given a presentation by ADSM, Steve Ellis, on the National Observer competency Document, as well as hints and tips on improving Consistency in relation to both the run sheet completion and the scoring process. A brief Presentation On Masters riding was given after the on road session. SAM have held this event on two previous occasions.
