The not so major communication from

Banbury Advanced Motorists

Registered Charity Number 1088338

November 2017

Dear All,

It doesn't seem so long since I wrote last, but, there are things to tell you.

Firstly, it is a shame, but the proposed co-operation with KHH re assessing their drives has had to be abandoned. There are contractual and insurance problems that we cannot overcome. It seems though, that IAM are used to offering this type of service and it is likely that, if KHH take up the offer, it will be our own Jim Henderson doing most of the assessing.

Speaking of Jim, we now have a date for his talk - the **8th of February at 7:30**. Depending on the numbers wishing to attend, it may be held at either the Police Driving School in Cope Road, or at St Hugh's Church Hall. In order to ensure that all those wishing to attend are advised correctly, could you please contact Kromer if you plan to be there. Kromer is at cmkromer@outlook.com or 01295 720804. This should be a most interesting talk, of particular interest to current associates, but equally interesting as a refresher for existing members.

Another date that you already have is Chris, our Joint Chief Observer talking about 'In Car' safety systems on 2nd March.

A date I mentioned last time was for Sunday lunch. This is now fixed for the 28th January at the Roebuck in Drayton. 12:30 for 13:00.

The cost will vary depending on your choice, but here's the list:
The items listed below include a dessert – chosen from the menu on the day

Mixed meat roast	£18.00
Hand made Pie	£20.00
Fish & Chips	£20.00
Vegetarian Curry	£20.00

I know the Chef/Patron well, having been involved in inspecting two of his previous premises some years ago. We have also attended two funeral wakes there in more recent years, so some members of BAM have an idea of his standards.

If none of the above appeal to you, I can probably arrange a special.

Affiliated to IAM RoadSmart Group No. 2126

I will need to book numbers in advance and, as with the December event, I would like cheques 'up front', made to BAM.

I have to give Nick the numbers by 21st January.

Please let me know your requirements and send your cheque to me at 42 Lewis Road, Chipping Norton, OX7 5JS. (Please mark the envelope BAM lunch)

Re the 'Christmas, evening dinner on 15th December, please can I remind you that I need to have bookings and cheques to BAM before 27th November – NOTE, this is a change from the earlier date of 1 December but I have to supply order details and deposits to the pub by the 1st December.

I attach again, for your use, a booking form and details of how to book.

We have recently attended a Transport Symposium at Banbury Town Hall. A very good day and as a result, we may be offering some 'classroom' training sessions to two local businesses. We have done this in the past, using the IAM Modules. At present planning and negotiation is in the early stages, but it is looking like quite an interesting project.

I'd like to take this opportunity to welcome all of our new associates and congratulate our recent passes. I will also wish you all a very peaceful, healthy and above all safe festive season.

Peta
