Dear All,

This is a short Byway but with important content.

We had planned to have a 'Festive Meal' at a lunch time in January. However various committee members felt we should go with the usual format and have a 'Christmas' meal in the evening in December. I included dates and location in the last Byway. In this Byway I am including the booking form. If you wish to attend, please complete the form and return it to me, together with your cheque made payable to BAM before 1 December. I am sorry that we require cheques, but at present it is the easiest way for the treasurer to deal with payments. Things may change in the future. If the January lunch goes ahead it will be on the 21<sup>st</sup> or 28<sup>th</sup> January. I will make sure everyone knows either way before the end of November.

We are also planning a talk by Chris (Joint Chief Observer) on 'In Car Safety Systems'. This should be very interesting. The nominal date for this is the 2<sup>nd</sup> March at St Hugh's Hall. Confirmation next time.

Our local IAM examiner has offered a talk on what he expects from an associate. Jim Henderson is very helpful and supportive and this talk will be a must, not only for associates, but for existing members too. Unfortunately, as Jim is a serving Police Officer and 'on call' because of the nature of his role, it is sometimes difficult to fix a date. We will try to fix one and will make sure you are aware of it in due course.

The AGM is on 5<sup>th</sup> April at St Hugh's Hall. Please put this in your diaries.

Other news of interest is that we are in discussion with Katherine House Hospice with a view to assessing the standards of driving of their volunteer drivers. George Findlay set up the initial discussion – he is a volunteer driver – and we are making progress. If this happens, it will be an exciting new venture for BAM and an important contribution to the comfort and safety of some of the vulnerable members of the community.

On the next page is the booking form and details for the Dinner.

Regards

Peta
